

BOCHANG ENCAPSULATION MACHINE INSTALLED AT CAPLIN POINT

Bochang Co. Ltd., a renowned industry leader in the Veg & Soft Gelatin Encapsulation machines, together with their longstanding partner **Vedic Pac Systems**, has successfully installed and commissioned the **BCM GB6** at **Caplin Point Labs** in Puducherry.

The BCM GB6, designed by a team of highly qualified and trained engineers, offers exceptional performance and reliability. This machine ensures consistent production of high quality capsules in accordance with cGMP norms. All the contact parts are made of SS316/food grade material. This is the second BOCHANG plant installed by CAPLIN POINT.

For more information, please contact us at bochang@vedicsystems.com.

PARTICIPATION IN THE SNACK AND BAKE TEC EXHIBITION 2023.

Vedic Pac Systems participated at *Snack & Bake Tec 2023*, at the BEC in Goregaon, Mumbai. Some memories from the show....

GREEN CHANNEL ASSOCIATE (GCA) AGREEMENT BETWEEN VEDIC PAC SYSTEMS & MUNTERS

Vedic Pac Systems recently signed the Green Channel Associate (GCA) agreement with **Munters India**. Munters is a global leader in energy efficient air treatment solutions for industrial and commercial purposes, specializing in low RH and low Dew Point applications. Their systems offer improved indoor air quality, increased production capacity, and energy savings. Munters provides optimized indoor climate solutions for various sectors such as pharmaceuticals, data centres, food, electronics, agriculture, and commercial premises. With this agreement, we can now offer world class air treatment solutions at very special & competitive prices.
