

Vedic Pac Systems @ ANUTEC International Foodtec India

Our sincere gratitude to our partners/principals for their support during the ANUTEC 2023 in Mumbai. And our appreciation to our key accounts & customers for taking the time to visit our stand at the show. We look forward to the next event in Mumbai.

Some memories from the show:

SOLLICH @ IBA 2023.

SOLLICH KG will showcase their innovations at the IBA, München, from 22~26 October 2023. On display would be their latest enrobing systems type *Enromat*, automatic decorating systems type *Decormatic*, new generation tempering machines type *TE*, caramel enrobers type *Caramat* & cookie cappers type *Sollcocap*.

Please visit us in Hall C1, Stand 340.

Sollich Tempermeter Installation @ Maliban

Vedic Pac Systems recently installed Sollich Tempermeter E6 at Maliban, one of the largest manufacturers, distributors and marketers of bakery products in Sri Lanka.

The Tempermeter E6 is a portable measuring device for checking the degree of tempering in chocolate. The technology includes the reliable recording of the degree of tempering as well as the documentation of the measured values.

FEATURES

- Convenient operation via touch panel
- Integrated printer
- Incl. "Tempermeter Viewer" evaluation software
- Integrated thermoelectric cooling system
- Ethernet and USB interface
