Barry Callebaut India Private Limited installs the TTe from SOLLICH

Vedic Pac Systems successfully installed the *TurboTemper TE 2400 D* at **Barry Callebaut India Private Limited**, the world's leading manufacturer of high-quality chocolate & cocoa products.

The *Turbotemper® (TE)* proves its exceptional tempering quality with pure cocoa butter chocolates and chocolates with a high percentage of cocoa butter equivalents (CBE's). The "First-In-First-Out" principle of the *Turbotemper®* guarantees a constant, defined residence time. The patented mass and water flow is the basis for efficient heat exchange with low energy consumption. The low mass content is a big advantage during cleaning & changeovers.
