

## Innovation in Food Production Technology at ANUGA FoodTec, Köln

**Vedic Pac Systems** was at the **ANUGA FoodTec** in *Köln, Germany*.

ANUGA FoodTec is one of the leading international trade shows for food and beverage machineries.

Vedic Pac Systems team supported its partners **AZO GmbH & Co. KG, Amixon GmbH, Cama Group & Loma Systems**.

Some memories from the show...

## Adding Flavour to the Mix: Vedic Pac Systems Spices Up the International Spice Conference

**Vedic Pac Systems** recently participated in the **International Spice Conference** at Hyatt Regency, Gurgaon, Delhi-NCR.

The ISC provided us with a platform to delve into the future of the spice industry, offering invaluable insights into emerging trends, challenges, and opportunities that will shape its trajectory in the years to come.

At the conference, we proudly showcased our premium solutions in Ingredient Automation & Powder Handling from **AZO GmbH & Co. KG**, Powder Mixers & Dryers from **Amixon GmbH**, and Metal Detection, Check Weighing & X-ray Inspection from **Loma Systems**.

Throughout the event, we had the privilege of engaging with our esteemed customers while also forging connections with potential clients, facilitating valuable networking opportunities.

Some memories from the show...

## Hebenstreit Training: Vedic Pac Systems Engineers Achieve Bakery Excellence

**Vedic Pac Systems** recently completed a two-week electrical training program at **Hebenstreit** in Mörfeld, Germany. Our engineers are now well-versed in installing advanced bakery machines from Hebenstreit. This specialized training provided by Hebenstreit has enhanced our engineers' skills and expertise, allowing them to meet customer expectations in installation and commissioning in India.
