

Seafood to Sweets: Gadre Marine Expands into Confectionery

Vedic Pac Systems has successfully installed and commissioned the **Chocotech Princess Candy Cooker** at **Gadre Marine**.

Well known for its leadership in the seafood industry, Gadre Marine is now taking its first step into the confectionery segment. With this installation, the company will begin the production of confectionery.

Chocotech Princess Candy is a universal cooker with remarkable versatility. It will be utilised for jelly production but is also capable of processing a wide range of other confectionery masses, including *hard candy, nougatine, caramel and aerated products*.

Supporting with Tech, Talks & Traction: Our Pharma Pro & Pack Recap

Vedic Pac Systems recently participated in the **Pharma Pro & Pack** show in Hyderabad.

We showcased the **AZO Screener Type DA 360**, **AZO DOS**, and lab scale models of the **AMIXON Mixer (VM2)** & **Bochang Soft Gel Encapsulation Machine**. The exhibition gave us the opportunity to reconnect with our clients and establish new relationships within the pharmaceutical industry.

Some memories from the show...

Loma Enhances Quality Assurance with the IQ4 at Hindustan Gum

Vedic Pac Systems has successfully installed and commissioned a **Loma IQ4 Vertical Fall Metal Detector** at **Hindustan Gum**, Jodhpur.

The system is used for powder safety screening of *Guar Gum Powder*, known for its properties of thickening, emulsifying and binding, used widely as an additive across industries such as personal care, cosmetics, food and pharmaceuticals.

Loma IQ4 Vertical Fall Metal Detector offers:

- High detection sensitivity for ferrous, non-ferrous, and stainless steel contaminants.
- Designed specifically for free falling powders and granular products.
- Compact construction, easy integration with existing process lines.
- Enhanced stability and reliability with Loma's advanced *Auto Learn* functionality.

Installation and commissioning were carried out by the skilled engineers of Vedic Pac Systems, ensuring seamless integration and performance.

Please email us at loma@vedicsystems.com to know more.
